| 1. Background of references is as follows: <div style="margin-left: 40px;"> <input type="checkbox"/> reports that some of the TPLINGO listener mail requests are made for pen pals in the West. TPLINGO has no present answer for such requests. TPLINGO would like to accommodate such requests as a service. Additionally, if it is possible, TPLINGO would like to have some sort of a working tie-in with an acceptable organization engaged in developing pen pal communications. <input type="checkbox"/> believes that such a relationship could be useful to FBCHORD. </div> | | | | |
| 2. In accordance with Reference B, TPLINGO has dropped its interest in the International Friendship League Correspondent's Bureau. TPLINGO feels that Soviet letter writers would be less inhibited if the pen pal organization were European or European based, rather than American. Perhaps there exists some American organization with a European affiliate. | | | | |
| 3. <input type="checkbox"/> suggests that his Headquarters component may be able to locate a suitable pen pal organization by a special inquiry type investigation. | | | | |
